

# SHB 105 Z (6HP) Diesel

**SHB**  
AGRO POWER  
INDIA PVT LTD

## Features

- **Made in China**
- **Reinforced Heavy duty Chassis**
- **Adjustable height and reinforced handlebar with only one lever**
- **Waterproof seals on hexagonal transmission shaft**
- **Blade disconnection integrated and independent on each wheel**
- **Minimum fuel consumption**
- **Multiple attachment applicable**
- **Low maintenance**

## Technical information

- Fuel consumption per/hr **750ml-1000ml**
- Working width **3.5 Feet**
- Working depth **03-05 inch**
- Gears **2 forward**  
**1 Reverse**
- Working tools **18/24/32 Adjustable**
- Weight **117 kg ( with wheel)**
- Engine **186F/186FA**
- Displacement **296 cc**
- Net power<sup>2</sup> **6 HP, 3600 rpm**
- Fuel tank capacity **4.5 L**
- Usage **Dry and wet land cultivation**
